I **never say sell**! ever! Why? that hurts people! Today because of all the Idiot vocal bashers! I sold 100 OTC stocks! Bashers win. most will lose! Idiots think they are helping! Brought attention to themselves! <https://t.co/o0oBqm7Ave>

Traders please stop asking if I still own a stock! It's annoying I never **say sell** or sold. For obvious reasons. I've never asked a trader that question. <https://t.co/qpeycTCu7T>
